## Our Mission

Our teams with great minds think alike, who value our customers, providing quality services, deliver on our promises and contribute to sustainable development.

## Our Vision

Our vision is to be the most reliable and authentic logistics partner in INDIA, facilitating sustainable growth and prosperity for our local and international clients.

## Quality Policy

It is the policy of Antrans Logistics to distinguish itself as the industry leader by providing superior, cost effective quality delivery services to its customers.

We are an ISO 14000 and 9001 certified company and MTO registered (Multimodal Transport Operator) certified by ministry of shipping

AN ALL-IN-ONE FREIGHT SOLUTION FOR YOUR BUSINESS

## ABOUT US

We are always open for new promising projects.

Antrans Logistics is rapidly growing customer oriented firm in the Industry. We provide supply chain solutions for organisations of all sizes. We are a full service third party logistics service provider with the advance technology Infrastructure and customized service to support business in a wide range of Industries. We are headquartered in Mumbai(India) and cover most of the Ports in India. We provide Customs Clearance and warehousing facility in all these Ports under our own banner.

We also have specialised team to handle Oil and Gas, Pharma and Cosmetic, Electronics and High end consumer items.

We also have a team of professionals having expertise in handling Second Hand Machinery and Repair & Return Cargo.

We understand when you make a commitment to your customer, you mean it and we being your partner have an equal ownership.....we mean every word of this.

## WHY CHOOSE US

We are having a global network of agents who all are handling the freight shipments through their local areas. They are familiar with local customs and regulations. They are reliable, and can be depended on to provide the highest level of service.

Thus we are able to offer multi solutions to our clients. Before reaching to the settlement of deals we organize planning sessions to ensure a safe and secured transit of consignments. Due to this reason we get success in providing 100% hassle free services to our customer at almost all the time.

- ▶ Our route planning & perfect execution elevates the efficiency of Men, Method, Material utilization & Money saving
- ▶ Our well established information network reduces burden of documentation and other formalities.
- ▶ Our well organized resourcing establishes a single point of contact
- ▶ Our efficient agent network spread across minimizes time loss at Trans-shipment points

# AIR FREIGHT

## We fly to each point in the world...

Air Freight is often the fastest method of transport of delivery of cargo and consignments and is certainly key in time-critical logistics. Global markets and trade dictate the need to have an Air freight and logistics partner to literally 'take the load'.

Antrans offers choice and capacity as an Airfreight partner offering pallet rates for the quarter, half and full pallets on both overnight and next day economy services. Antrans can provide direct and indirect flight options to suit timescales and budgets.

Our global logistics team includes specialists experienced in almost every aspect of global logistics, including many with particular expertise in the fields of defense, automotive and FMCG. These skills and long term experience, together with an understanding and appreciation of geographical complexities provide our clients with the very best advice and global logistics service.

Over the years we have established relationships with industry partners and we are firmly positioned to negotiate the best possible rates on your behalf. We can offer 'back to back' and 'consolidated' Air Freight.

- We Provide complete Air Freight solutions to our customers.
- We believe in cost effective solution, be it consolidation or Direct shipments.
- We can give you a customised Air Freight solutions on Door to Door basis.
- We are a specialised company to handle DDU/DDP shipments to any parts of country
- We have qualified professionals to handle DG Cargo & we can also provide International standard packaging solutions to Airfreight DG cargo.
- When it comes to Airfreight we provide customise solutions to all kinds of customers, ranging from single owner companies to large corporations.

# SEA FREIGHT

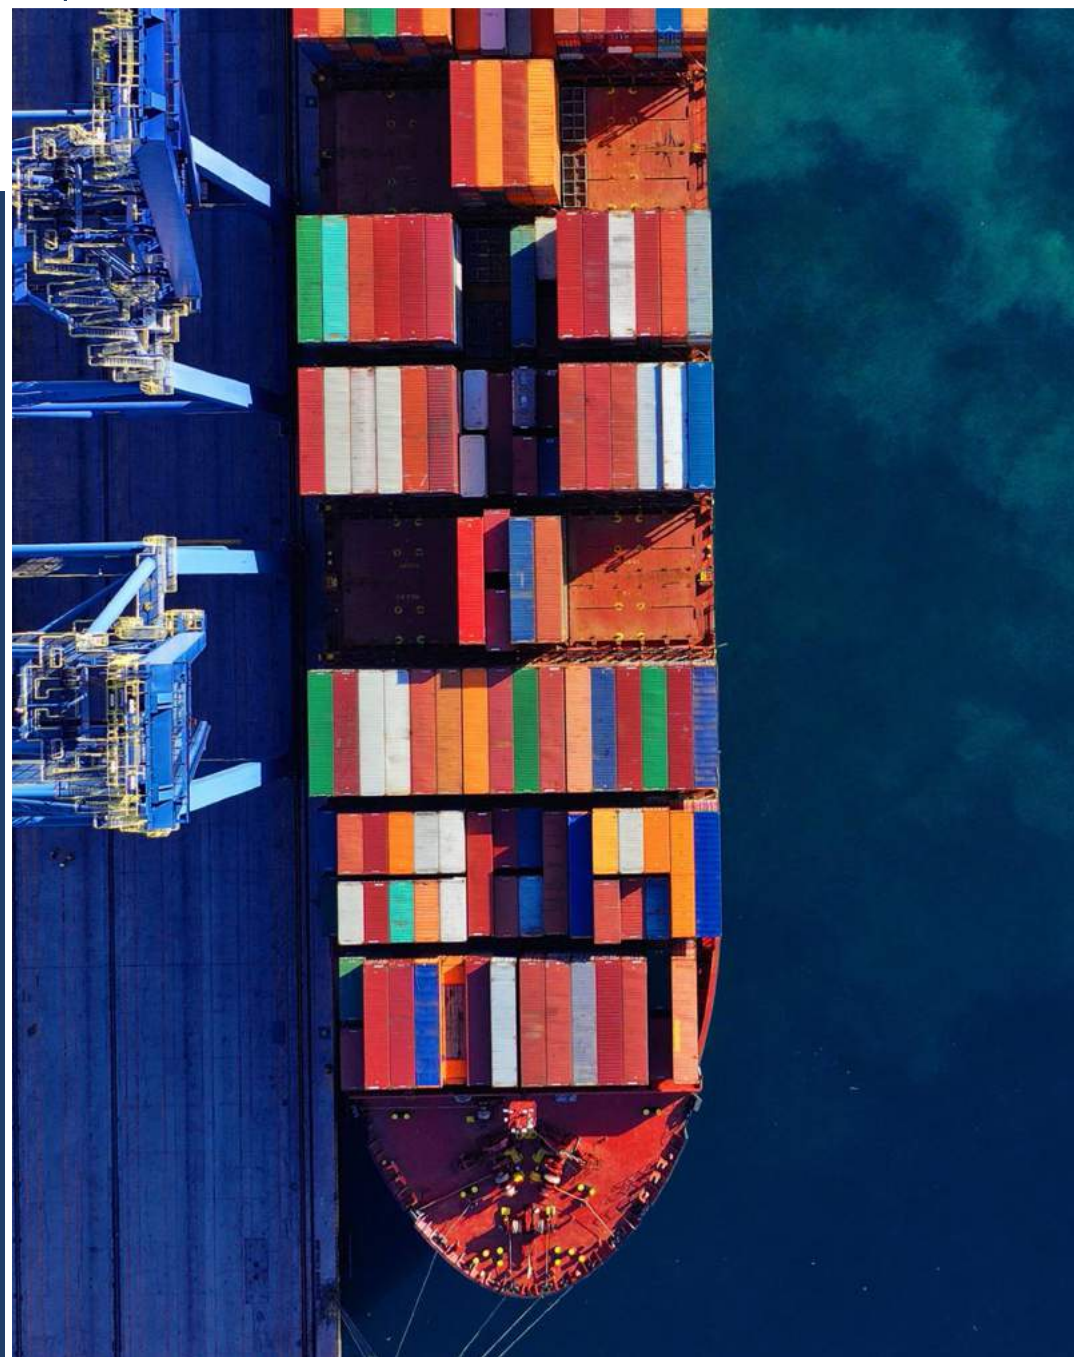

## We Ship your Cargo Efficiently World Wide

Our huge customer base demands that we service all modes of shipments, ocean freight being the most favoured. Our excellent relations with the authorities and carriers give us an advantage. We are able to leverage our volumes to get excellent deals. We understand the complexities of ocean transport, we know what to expect, we anticipate and design the solutions in ways that avoids costs and complex situations.

Our customers entrust us with all kinds of shipments that include ODC, Project Cargo and Refrigerated cargo.

We have a fleet of self owned 40' chassis; this allows us to keep Forwarding, Customs Brokerage and Transport in our control delivering the highest level of satisfaction to customers and overseas partners.

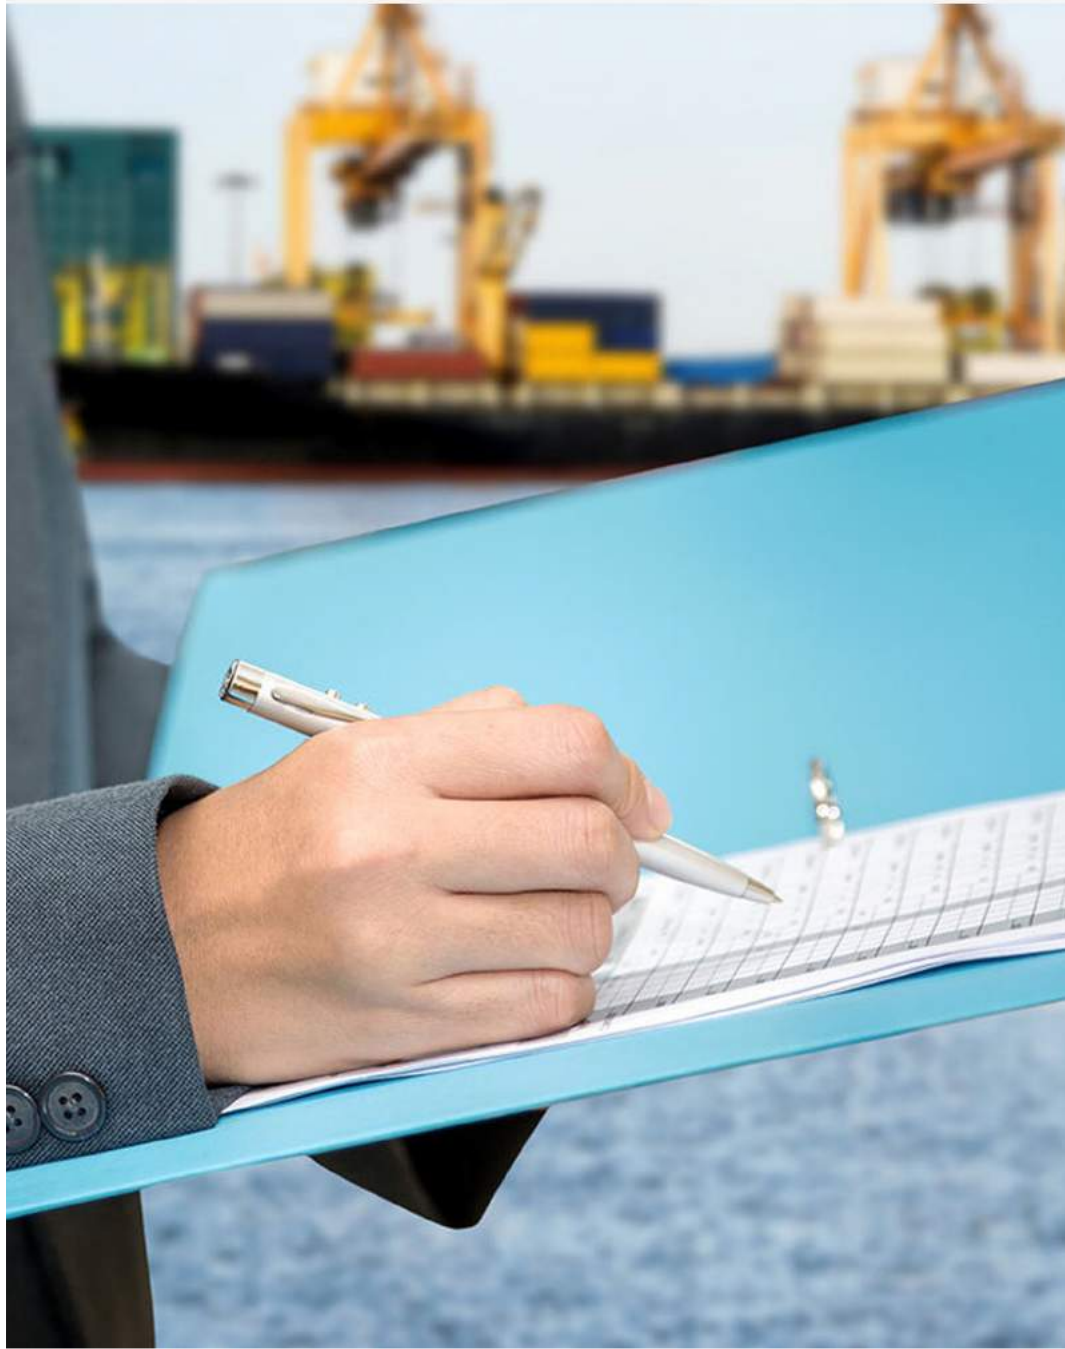

- Rate analysis.
- Carrier selection and booking.
- Weekly scheduled arrival & departures using reputed carriers.
- Containerization arrangements.
- LCL, FCL consolidation.
- Multimodal arrangements like AIR/SEA & SEA/AIR Combinations.
- Buyer's Consolidation.
- GOH Handling.
- Inland Trucking.
- Door-to-Door service.

## CUSTOMS BROKERAGE

At ANTRANS we have a well dedicated team of professionals to take care of your complete Customs clearance procedures. Having the support of an adept team of custom clearing agents who are proficient in their work and are through with all the mandatory documentation and regulations to be followed, we are able to provide world class custom clearing services to our clients. We will take care of all the essential documents, get them prepared and act as an interface between our Customers and the Customs. We are able to provide hassle free and quick custom clearing services for clients engaged in imports as well as exports.

The key to our Customs Clearance service is our team's product knowledge and well updated knowledge of Customs Clearance procedures and policies of various Countries. In addition we take personal care in handling the procedures on behalf of our Valued Customers, added our constant endeavour to develop and sustain trusted relation with our Customers and Government Agencies help us in providing enhanced service levels for Customs Clearance.

ANTRANS understands the complexities of handling cross-border consignments better than anyone. The comprehensive customs brokerage, clearance and compliance services combine in-depth expertise in global customs regulations with local knowledge – ensuring the smooth and expeditious flow of international shipments to and from any location worldwide.

- We are expert customs brokers with 20 years of industry experience, a huge team and impressive clientele.
- We are licensed broker, authorised to clear ocean and air shipments both.
- We do not outsource this activity like most forwarders do, this is our in house activity.
- We are a renowned company when it comes to clearance of second hand machinery, pharmaceutical products & high end consumer items.
- We have a dedicated team to handle Repair-Return & reverse logistics.

# TRUCKING

## On Time... Safe... Environment-Friendly...

We own our own fleet of 400 chassis and closed bodied trucks to manage container transportation as well as local pickups and deliveries. Since we control large volumes, we are able to leverage this and get preferential rates from independent truckers. We manage our vendors well and are able to command good respect from them which translates into superior service levels.

We have a strong Foothold specifically when it comes to the on-time delivery of goods is the key to your business and one of Antrans primary services. To meet your specific transportation needs, we offer an array of Inland Transportation Services

We can offer both nation-wide and local transportation services. Which enables us to source quality vehicles from the large reliable and tested vendor base we have maintained. We have a proven product for 'Last mile Deliveries'.

- Inter-modal Services
- Trucking Services
- Pickup Services for LCL/FCL cargo
- Heavy Machinery & Equipment, Break Bulk, and related Transportation
- Transportation of Food Products Safe & Fresh
- Door pick and door deliveries
- Partial Shipments (LTL) to major cities
- Temperature controlled shipments – Reefer Trucks
- Sensitive Cargo via Air-Ride Trailers and movement on hydraulic axles
- Providing assistance in obtaining road permissions and escort movement

# WAREHOUSING

This is a strong vertical for us & We have professions with decades of experience in the field.

We understand what warehousing is, we know the importance of having web enabled WMS system, and hence we have invested in a robust system.

Our partners and customers has witnessed real value in outsourcing their warehousing requirements to us. With our full range of services that include freight forwarding, customs clearance and transport, warehousing was a logical extension, we now offer full range of warehousing solutions.

- Cross-docking facilities to customers with very high inventory turnaround
- Labeling boxes as per requirement of the customer
- Sorting, unpacking and repacking, reweighing of cartons/boxes
- Adding usage instructions to cartons and individual boxes
- Any kind of promotion-focused services
- Distributing point-of-sale displays
- Co-packing advertising material to the product package
- Shipping of promotion materials
- Time-focused service just-in-time
- Reverse logistics
- Spare parts distribution

## NVOCC
